I, **Brian David Hill**, authorize the **U.S. Federal Bureau of Investigation ("FBI")** to release personal information to Congressman Mark Walker United States Representative. I authorize Congressman Mark Walker to request and have access to all records and reports pertinent to my request for his assistance in the following matter:

Nature of Problem: **Mark Walker is receiving this as a CC of what was sent to other representatives since the U.S. FBI office in Greensboro, NC, is in U.S. Congressman Mark Walker's personal jurisdiction over this matter if he deems it necessary to intervene. The issue is that the FBI boss in Greensboro, NC, has blocked and knowingly allowed one or more felony criminal misconduct to have been conducted on June 30, 2014, and are refusing to investigate and refusing to prosecute such criminal behavior. The Duty Agent accepted the case for investigation and wanted Brian David Hill to provide a statement at the Greensboro, NC FBI office, but his boss has blocked such investigation by calling it "meritless" without giving an written explanation as to why it was eve constituted as being meritless, since the Duty Agent didn't think it was meritless but was told by his boss that it is meritless so the investigation wasn't allowed to continue and four witnesses of such criminal behavior were not allowed to come down and make a statement at the FBI when originally was told via voicemail that Brian David Hill was to come down and make a statement.**
